Where Radiation Oncology Meets ARPI: Case-based Management of nmCRPC

Shao-Lun Lu, MD, PhD 呂紹鏞
Radiation Oncology, National Taiwan University Cancer Center
July 18, 2020
國際放射治療論壇上講者工作紙

Roadmap

- 1. Survival-proven ARPI backbone in conventional-imaging nmCRPC
- 2. PSMA-PET stage migration: "M0" is often nowcube-imaging M1
- 3. Evidence for MDT/BBRT in oligometastatic and oligoprogressive CRPC
- 4. Case-sharing
